

Pacific Office Automation has been in business since 1976 and is one of the largest independent, **locally owned** document imaging dealers in the nation. We have 17 branch offices throughout Oregon, Washington, Utah, New Mexico, California and Arizona and offer an unsurpassed benefits package as well as upward mobility.

Due to our growth and success, we currently have an immediate opening for a qualified driver to deliver, set-up, and install equipment. If you are dependable, hardworking, and looking to join a team that provides excellent customer service, please submit your resume for review.

All candidates must possess:

- Valid driver's license
- Clean DMV record
- Stable work history and solid job tenure
- Excellent customer service
- Tech savvy (background in repair or computers helpful)
- Due to our insurance carrier all candidates must be over 21 yrs old and be able to pass background check and drug screen prior to interview process.

This position requires lifting, maneuvering, and moving of heavy equipment in professional office locations around the metro and surrounding areas. **Excellent customer service and professional demeanor are an absolute must!!**
