20 Community

It's about a welcoming center for visitors and customers

Balance Privacy

Architecture

I-Line moveable wall creates boundaries and provides visual and acoustical privacy for meetings with guests.

Manage Connections

Architecture

Underscore low-profile access floor allows flexible and convenient routing of power and communications.

Furniture

Pathways Post and Beam provides framework for touchdown spaces.

Pathways capsule worksurface and stools accommodate impromptu exchanges between visitors and employees.

Flexible, curvilinear furniture creates pleasing concierge center

Soft seating provides a comfortable waiting area for visitors.

Technology

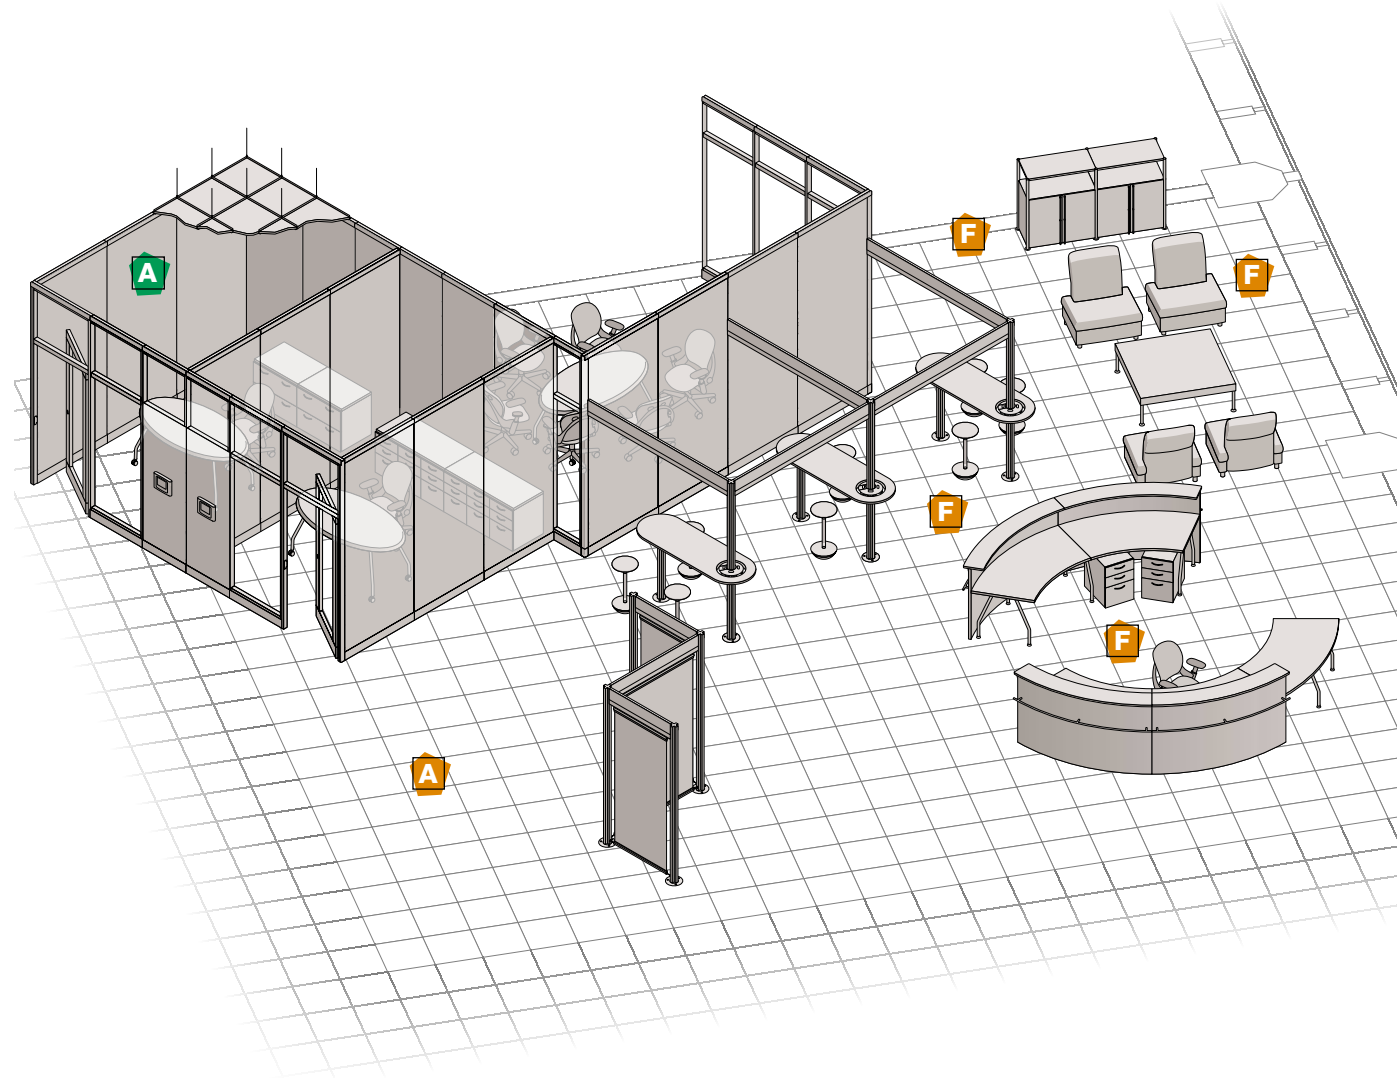

Entire welcoming center accommodates wireless technology.
