

Building Blocks

- Balance Privacy
- Manage Connections
- Support Diverse Workstyles

23 Homebase

It's about tandem homebases with adjoining collaborative space

Balance Privacy

Furniture

- F** Pathways Post and Beam creates framework for tandem homebases
- F** Panels with clerestory fit within post and beam framework for visual privacy
- F** Tall storage units provide additional privacy
- F** Mobile markerboards enable users to negotiate the level of visual privacy they need.

Make Work Visible

Furniture

- F** Huddleboards and mobile markerboards allow people to capture and share information with others.
- F** Monitor arms to move easily monitor allowing team members to share information on screen.

Manage Connections

Architecture

- A** Underscore low-profile access floor allows flexible and convenient routing of power and communication.

Furniture

- F** Lower storage and towers keep information close at hand yet out of sight.
- F** Panels enable access to power and data connections at desk height.
- F** Collaborative areas with standing height tables and and casual seating encourage spontaneous interaction.

Support Diverse Workstyles

Furniture

- F** Mobile tables, worksurfaces and a variety of seating accommodate a wide range of user workstyles.
