27 Homebase, Team Space

It's about homebases with integrated team space

Balance Privacy

- F** Furniture Pathways Post and Beam defines the space.
- F** 120° panel planning creates space division for two homebases and team area.

Make Work Visible

- F** Furniture Huddleboards serve dual purpose as surface for projection and markerboards for sharing information.

Manage Connections

- F** Furniture Upper storage and lateral files keep reference material close at hand yet out of sight.

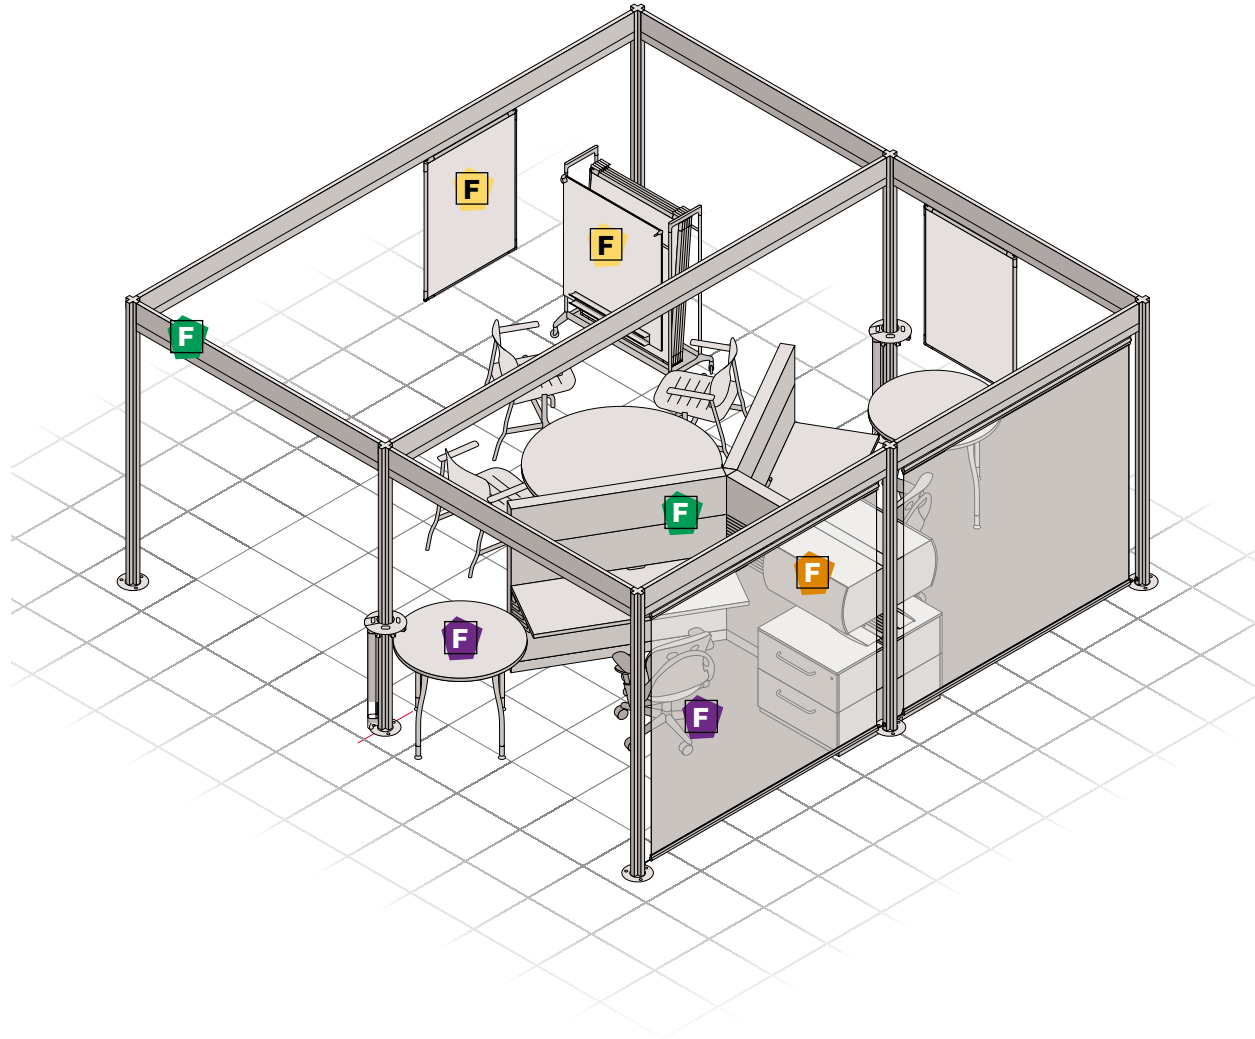

Support Diverse Workstyles

- F** Furniture The combination of fixed and mobile worksurfaces support active and anticipated work activities.
- F** Fully adjustable seating encourages healthy postures.
