29 Homebase

It's about homebases with integrated casual space.

Balance Privacy

Furniture

F Panels, Pathways Post and Beam, and mobile screens provide visual privacy where needed.

F 120° panel planning creates space division for two homebases and informal meeting area.

Manage Connections

Furniture

F Panels enable access to power and data connections at desk height.

F Upper storage allows users to organize resources for easy access to documents

F Lower storage and towers keep information close at hand yet out of sight.

Support Diverse Workstyles

Furniture

F The combination of the worksurfaces and shelves support active and anticipated work activities.

F Fully adjustable seating encourages healthy postures.

F Casual seating supports alternative postures and encourages impromptu interaction.
