

Building Blocks

- Balance Privacy
- Make Work Visible
- Manage Connections

4 Community Space

It's about: A place to exchange ideas, socialize, meet and encounter.

Balance Privacy

Architecture

A I-line Moveable Wall creates boundaries for café.

Furniture

F Booth seating provides space division enabling small group conversations.

Make Work Visible

Furniture

F Huddleboard enables visual display.

Manage Connections

Furniture

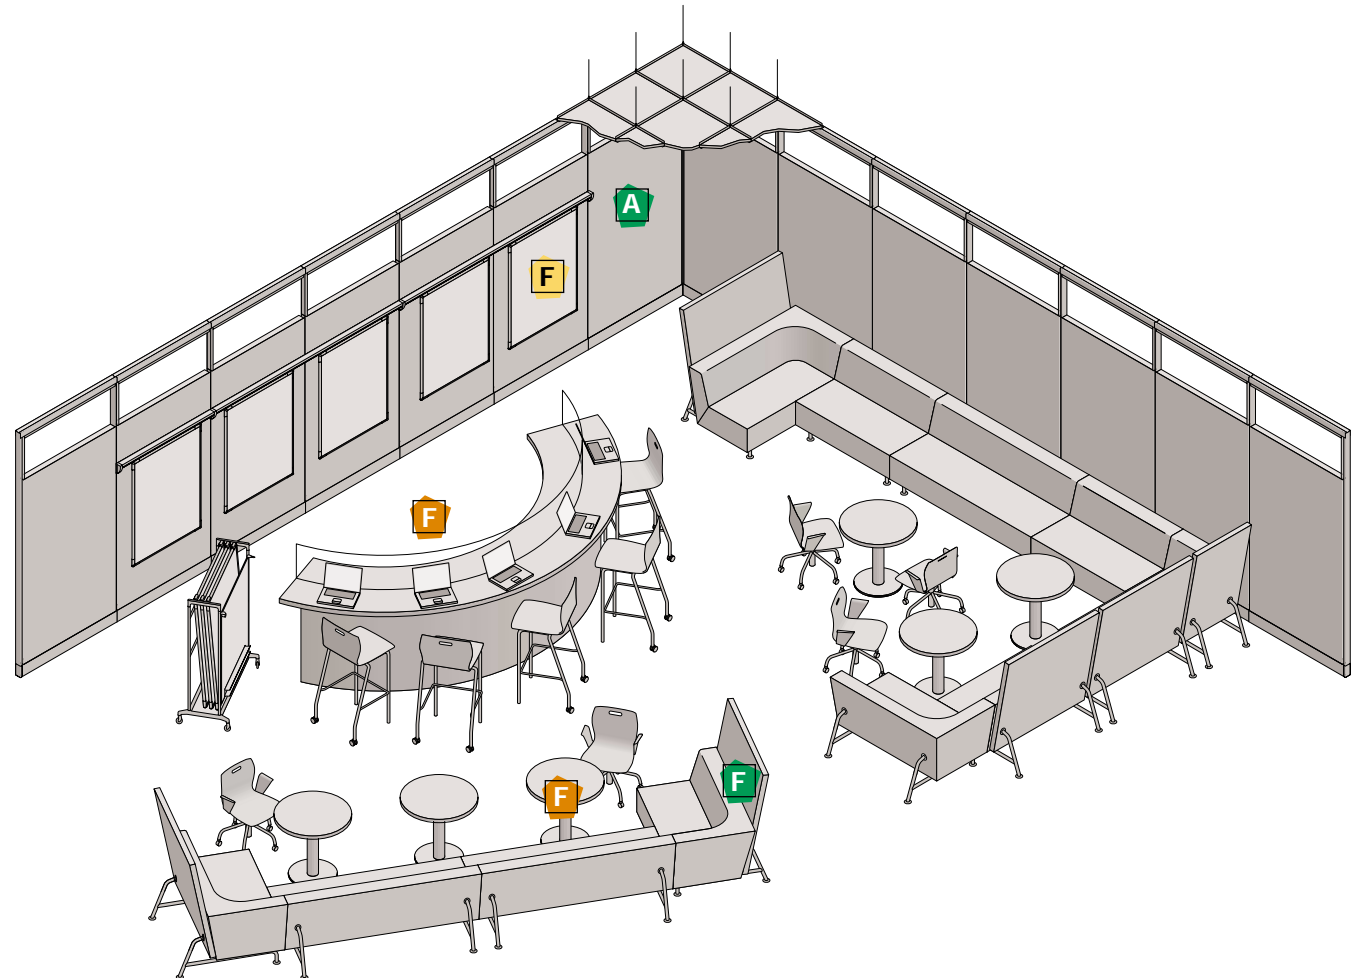

F A variety of furniture, such as booth seating and café stools, encourages conversation and knowledge exchange.

F Counter and café stools create central meeting place. Counter houses refrigerator and beverage appliances. It also provides access to power and communications.
