

Disinfects dental chairs, countertops, cabinets, impression materials, and instruments, in 5 minutes, against TB, with no alcohol or phenol, saving money and space...

...just add water.

NEW! SURFLETS™ Disinfectant Tablets. A fast, effective, easy and economical way to keep everything in your office properly disinfected.

SURFLETS is a powerful, highly concentrated disinfectant in tablet form. Just drop two tablets (A+B) into water, and it effervesces into a hospital grade intermediate level disinfectant. One box makes 16 quarts of disinfectant solution.

All the great benefits of a disinfectant; speed, compatibility, efficacy and economy—packed into convenient tablets.
